Jayne Gordon

Vitality Face was established by dentist, Jayne Gordon, in 2008 when she and her husband, Ian Gordon, opened Vitality Dental Practice. After 25 years as a dentist Jayne moved away from dentistry to focus completely on facial aesthetics. She gained a post graduate diploma in non-surgical facial aesthetics (distinction) from UCLan in 2015.

Jayne's philosophy is, "fresh, not frozen," so there's not a trout pout in sight!
